Terms of Service

These terms cover the Daily Tech Drops website, our Instagram account @daily_tech_drops, our Facebook Page and our YouTube channel @daily_tech_drops, and the small tool ("Daily Tech Drops Poster") we use to publish our own posts.

What we do

We share short videos and posts about consumer tech gadgets sold on Amazon. Our content is for general information and entertainment only. It is not professional advice.

Affiliate links

As an Amazon Associate we earn from qualifying purchases. Links to Amazon are affiliate links. Prices and availability change often and are set by Amazon, so always check Amazon for current details before you buy. Purchases are between you and Amazon or the seller.

YouTube

Our tool uses YouTube API Services only to upload our own videos to our own channel. By watching our YouTube content you also agree to the YouTube Terms of Service. See the Google Privacy Policy and our Privacy Policy.

Content

Product names and trademarks belong to their owners. Our videos are made by us. Please do not reupload them as your own.

No warranty

We share products we find interesting, but we do not make, sell or guarantee them. To the extent the law allows, we are not liable for any loss from using our content or the products we mention.

Changes and contact

We may update these terms. The current version is always on this page. Questions: message @daily_tech_drops on Instagram.
